

## Carton Sealing Machine

Left and right two sides drive

Model FX-50

 [www.empaquesregionales.com](http://www.empaquesregionales.com)

 4035-8117

## Feature advantage

1

1	Imported parts, electrical and pneumatic components
2	Manually adjust the height and the width for different size of cartons
3	Two side belts driven; top and bottom sealing
4	Cutter Safety system to prevent hands form stabbed by the cutter
5	Both steel and stainless steel types
6	Better used for tall cartons sealing
